

Pastor's Corner

Dear Grace Church Family and Friends,

May God's grace fill your new year with peace and joy! As we step into a brand new year, we do so with hearts full of gratitude. The past year held its share of celebrations, challenges, prayers answered, and lessons learned. Through it all, God proved faithful. We can look back and clearly see moments where God's grace sustained us and God's hand guided us forward.

Rev. Beth Petzke

At the same time, a new year invites us not to live in yesterday, but to embrace what God desires to do next. The prophet Isaiah reminds us that God specializes in new beginnings. God is not finished with us, nor is God's work among us complete. Each new season carries fresh opportunities for growth, healing, and renewed purpose.

"Forget the former things; do not dwell on the past. See, I am doing a new thing!"

— Isaiah 43:18–19

Faith reminds us that God was working even when we couldn't see the outcome. Walking by faith means trusting God beyond what is visible or predictable. The year ahead will likely include moments that stretch us, but faith assures us that God's promises are sure. God never asks us to walk alone—only to trust God step by step.

"We live by faith, not by sight." — 2 Corinthians 5:7

Scripture reminds us that God's ability far exceeds our expectations. What lies ahead is not limited by what we have seen before. God is always at work, often in ways beyond what we can imagine or predict.

"Now to Him who is able to do immeasurably more than all we ask or imagine..."

— Ephesians 3:20

The practice of making New Year's resolutions goes back over 3,000 years to the ancient Babylonians. There is just something about the start of a new year that gives us the feeling of a fresh start and a new beginning. In reality, there is no difference between December 31 and January 1. Nothing mystical occurs at midnight on December 31. Yet, people set new intentions or resolutions – ways or goals to do better, to improve, to be more. As people of faith, God invites us to dream big. It's an opportunity to bring our hopes, dreams, and challenges before God and set them with God. Our actions have an impact – on our lives and others.

There is something refreshing about new beginnings. With God, a new beginning is always possible with the gift of forgiveness and grace. May God be that which you can lean on in your weak or painful moments.

May you know God as your rock, your shelter, your strength, your wing of comfort and support...

- As we strive to live our lives well. . .
- As we enjoy the treasures we've found in faith. . .
- As we continue to surrender ourselves to God. . .
- As we journey into the unknown territory of a new year. . .
- As we hurt in the process of loving our enemies. . .
- As we learn to accept our weaknesses and our strengths. . .
- As we open our hearts to the messengers God sends to us. . .
- As we stay faithful to our relationship with God. . .
- As we give of ourselves to the poor and the powerless. . .
- As we keep searching for the truth. . .
- As we try to live in the heart of the scriptures. . .
- As we accept God's constant love for us.

Live boldly as God's beloved, remembering who you are, and who you belong to as we journey together through the new year together, with God at the center - knowing we can start anew anytime because of God's love for us.

God grant us wisdom for the new year, filled with peace, prosperity, and love as Grace United Church of Christ, God's beloved people - today and always.

New Year Blessings,
Pastor Beth

December has been busy for Church Council! One of the big decisions was about the parsonage. Our renters left at the beginning of November, and we have been working to prepare and find another family to rent it. While doing so, the possibility of using a rental management company was also discussed. Paul Green did a lot of the heavy lifting to find information and to meet with a company, and the council decided to use Blue Frog to help us with the property going forward. They will help with collecting rent and doing small repairs on the parsonage, while contacting us when bigger issues need to be fixed. We believe that we will be able to collect more rent, which will cover the cost of the services, and this helps our budget in the long run. Special thanks to Paul, Dan, and the board members for helping with some difficult decisions, and thank you to all of you for all you do to help Grace to move forward into the new year!

Happy Day!
Sarah Montgomery
